General Contractor: _____

Address: _____ Telephone #: _____

Building Description _____

Building Size _____

Foundation Description _____

Attached shall be a drawing showing the following:

1. A site plan drawn to scale.
2. The lot dimensions shall be shown on the drawing, along with set back requirements for the district in which the building will take place.
3. Indicate all existing trees to be moved and those to be retained on the site.
4. Landscaped areas.
5. Proposed off-street parking (number of spaces and dimensions).
6. Location of all buildings, structures, and gross square footage of each floor.
7. Existing right-of-way and easements.
8. Refuse storage.

In addition to the above information, building permits for commercial and industrial uses shall contain the following information:

1. A comprehensive graphics plan drawn to scale showing the location, size, design, material, color, and method of illumination of all exterior signs, along with one exterior lighting plan drawn to scale, showing type, height, and area of illumination.

Note: Federal law may require this construction project to conform with the Americans with Disabilities Act Accessibility Buildings for Buildings and Facilities.

Note: Permit shall expire 30 days from date of issuance.
